

## **Backcountry Skiing/Riding:**

5 to 6 hours

January - April

Never skied off-piste or don't know the local terrain? Our guides will teach you backcountry basics to advanced skiing techniques. We will explore the untamed wild of the Chugach Mountains while "earning our turns." Learn basic avalanche awareness skills & terrain assessment--"when & where to ski". Guests should bring water, lunch and backcountry ski equipment. **Backcountry ski equipment must include:** winter ski clothing, snowboard, downhill, randonee' or telemark skis, boots, bindings, poles, skins or snowshoes, backpack, digital avalanche transceiver, probe pole, shovel, sunglasses or goggles. Rental gear is obtainable by advance reservation, only. All guests should be moderately fit, able to hike for a few hours and ski at the intermediate to expert levels. Multi-day skiing adventures are also available to further explore the Chugach or Talkeetna Mountains at Hatcher Pass. Participant age: 12 and up.
