Rules and Regulations for Exhibitors

2011 AAPT Summer Meeting • Creighton University, Omaha, NE • July 30 - August 3, 2011

Definition

The words “Exhibit Management” as used herein refer to the American Association of Physics Teachers (AAPT).

Exhibitor Registration

Exhibitors are entitled to two (2) full meeting registrations and **six (6) complimentary registration badges per company or organization only for their full-time company employees.** After six, staff badges are \$10 each. Each exhibitor must wear an official exhibitor’s identification badge. Exhibitors are responsible for making their own travel and housing arrangements.

Arrangement of Exhibits

All exhibits must be arranged so as not to obstruct the general view or hide other exhibits. Backgrounds (including signs) must be no more than 8’ in height. Material extending into the exhibit area by more than 3’ from the back wall cannot exceed 3’ in height. No partitions other than the side rails will be allowed, unless specifically approved by Exhibit Management. Exposed unfinished sides of exhibit backgrounds must be draped to present an attractive appearance. Exhibit Management may (at the exhibitor’s expense) direct revisions of any exhibit that does not comply with the above guidelines. Exhibit booths may only be used in a straight line as it appears on the floor plan.

Location/Layout of Exhibits

At all times, Exhibit Management reserves the right to alter the location and/or layout of the exhibits in the best interests of the overall exhibition and meeting.

Installation/Dismantling

Exhibits must be completely installed at least two hours prior to the opening of the show. Exhibit Management reserves the right to re-assign any space not installed at that time. No packing or dismantling of exhibits will be permitted prior to the official closing of the exhibition, and there will be a \$200.00 fine for any exhibitor dismantling prior to the closing of the show.

Occupancy of Booths

All booths must be open during the advertised show hours.

General Conduct of Exhibitors

All materials and activities must be confined to the limits of the exhibit booth(s) and may not impede traffic or interfere with other exhibits. Furthermore, all of the following practices are expressly prohibited: the promotion of products or services other than the exhibitor’s, excessive noise that would interfere with other exhibitors, the storage or use of flammable or explosive materials (or any substance prohibited by local laws or insurance carriers), the operation of x-ray equipment, the soliciting of participation in surveys or any other harassment of attendees, the use of live animals, the solicitation of business by anyone other than the representatives of exhibiting organizations, and the publicizing or conducting of any activities other than Commercial Workshops that would attract attendees away from the exhibition during exhibit hours.

Rejection & Penalties

Exhibit Management reserves the right to refuse any applicant for exhibit space, as well as the right to restrict or evict any exhibit that, in the opinion of Exhibit Management, detracts from the general character of the exhibition. This reservation applies to displays, printed matter, promotional materials, noise, personal conduct, and method of operation. In the event of such restrictions or eviction, Exhibit Management will not be liable for any refunds or other exhibit expenses.

Insurance

Exhibitors are urged to take out a portal-to-portal rider on their own insurance policy, usually available at a nominal cost, to protect against loss through theft, fire, damage, etc. Exhibitors are responsible for their equipment and property. The exhibit area will be monitored and secured, but AAPT does not guarantee nor protect the exhibitor against loss of any kind. Each party agrees to be responsible for its own property through insurance or self-insurance; exhibitors shall hold harmless AAPT for any and all damage caused by theft and those perils normally covered by fire and extended coverage policy.

Liability

The exhibitor agrees to assume all responsibilities for any damage to the exhibit area. The exhibitor also expressly indemnifies and holds harmless AAPT, the show’s official service contractor, and any other agents of Exhibit Management from any and all liability that may ensue from accidents, injuries, damage by fire, loss or theft of property, or any other cause. Security guards will be provided as determined necessary by Exhibit Management; however, the exhibitor retains sole responsibility for his/her own exhibit materials. In the event that the exhibition is canceled, the liability of Exhibit Management shall be limited to the monies paid by the exhibitor as exhibit booth rental, less a proportionate share of all expenses incurred by Exhibit Management for the exhibition.

Subletting of Space

No exhibitor shall assign, sublet, or apportion the whole or any part of the space allotted without the knowledge and written consent of Exhibit Management.

Payment Terms

A deposit of \$500.00 per booth must accompany this application/contract, and full payment must be received by **June 1, 2011.** *Fees not paid by this date will be subject to a late fee of \$250.00.*

Cancellations

After a signed contract has been received, cancellations prior to June 1st will be liable for a penalty of \$315.00 per booth reserved. Exhibitors cancelling after June 1st will be liable for a penalty of \$630.00 per booth reserved.

All cancellations must be submitted in writing.
