

Learn to Ice Climb:

5 to 6 hours

January - March

Alaska is an amazing backdrop to learn or hone your skills of Ice Climbing. Transportation and all technical climbing equipment are included in this trip. After driving to a Climbing area of either Portage or the Seward Highway, your guide will set up a top-rope on the ice route. Our experienced and certified guides will teach you everything from the basics to advanced ice climbing techniques. You will be fitted with crampons, a harness, mountaineering boots, ice tools and taught the ice climbing basics. Then, "climb on" as your guide belays you!

Participant age: 12 and up. **No previous climbing experience necessary.**
