Giving to Physics Education Through AAPT

Your contribution supports the future of physics education and is an investment in the enhancement of physics teaching, from high school to far beyond the graduate level.

Please designate the fund(s) of your choice and indicate the amount of your gift to each fund below. Place the total gift amount on the front of this form on the line indicated for Donations to physics education. AAPT is a 501(c)(3) charitable organization. Your gifts are tax-deductible.

• MEMBERSHIP DEVELOPMENT FUNDS

- \$ _____ **Harold Q & Charlotte Mae Fuller Fund**—Enhance the internationalization of AAPT membership and benefit physics teachers in developing countries.
- \$ _____ **New Teacher Fund**—Support outreach and provide reduced membership fees for first and second year physics teachers.
- \$ _____ **Student Fund**—Support reduced membership fees for physics students and outstanding teaching assistants.

• PROGRAM FUNDS

- \$ _____ **Physics Olympiad Fund**—Promote academic excellence by helping U.S. students prepare for and participate in the International Physics Olympiad, providing a meaningful scientific and cultural experience for team members.
- \$ _____ **Future Projects Fund**—Support development, publication, and distribution of leading edge and time tested physics teaching tools and professional development materials.
- \$ _____ **AAPT Annual Fund**—Support ongoing outreach and development programs such as the High School Physics Photo Contest, Six Flags America Roller Coaster Design Contest, Physics Days at NSTA, and the Physics Bowl. Your donation to this fund also helps support outreach to physics departments and schools of education, government agencies, and Congress.
- \$ _____ **Betty Preece SEES Memorial Fund**—The SEES program, ardently promoted by emeritus AAPT member, Betty P. Preece, provides 100 minority, low-socioeconomic students with the opportunity to engage in three hours of hands-on science activities. AAPT provides lunch, career and science materials

• EXCELLENCE IN PHYSICS EDUCATION AWARDS (Award Fund)

- \$ _____ **The Excellence in Undergraduate Physics Teaching Award** recognizes outstanding achievement in teaching undergraduate physics.
- \$ _____ **The Excellence in Pre-College Physics Teaching Award** recognizes outstanding achievement in teaching pre-college physics.
- \$ _____ **John David Jackson Excellence in Graduate Education Award** recognizes physicists and physics educators who, like Jackson, have made outstanding contributions to curriculum development, mentorship, or classroom teaching in graduate physics education.
- \$ _____ **Oersted, Phillips, Millikan, Klopsteg, and Richtmyer Endowment** funds the awards for AAPT's recognition of contributions to physics education.
