

Digital Advertising

AAPT is adopting a green initiative at our National Meetings, therefore the printed meeting program will no longer be available. A PDF of the program will be available online and the AAPT meeting app will be available for download. Here are some digital advertising opportunities for exhibitors and vendors who wish to promote their products and services, as well as increase their visibility.

AAPT's National Meetings are expected to draw over 1,200 physics educators from around the globe. Don't miss this opportunity to have your company stand ahead of the rest.
