How to Edit Your Registration Selections

* Go to the AAPT website: aapt.org to the upper right hand side of the screen and select "Sign In"
* Select "View and Edit Account Information.
* On the next screen, enter your I.D. number and password
* On the next screen at the bottom, select "View Other Registrations."
* On the next screen, select the meeting that is highlighted (2014 AAPT Summer Meeting...)
* Click on that link and proceed to change your registration
* For changes to your registration type or special events, click on the "Add/Remove Functions" button. To add or remove workshops, click on the "Change Selected Sessions" button
