

Access the AAPT COMMUNITIES platform on Tradewing's new App!

Tradewing, the company that produced the software that is used for AAPT's COMMUNITIES platform, has developed a new App that will make using the software on your mobile devices that much easier. Please see below for instructions on how to take advantage of this!

Getting Started with the New App

For Previous Tradewing App Users: Please delete the old Tradewing app before installing the new version to ensure a smooth setup experience.

iPhone (iOS) Users:

Download on the App Store

1. Open the **App Store**
2. Search for "**TradewingLLC**"
3. **Tap Download**, then open the app once it's installed

Android Users:

Get it on Google Play

1. Open the **Google Play Store**
2. Search for "**TradewingLLC**"
3. Tap **Install**, then open the app after installation

How to Login:

1. Enter your email address in the login field.
2. Next, you'll be prompted to select the association you're affiliated with.
3. If you have Tradewing credentials, simply enter your password to log in.
4. If you use Single Sign-On (SSO): – After selecting your association, you'll be redirected to your association's AMS login page. – Once authenticated, you'll be brought right back into the app — no extra steps needed.

If you run into any issues or have questions, we're just an email away. Reach out to us at support@tradewing.com, or stop by our Help Center — we're always happy to help.

Thanks for being with us on this journey. We're so excited for you to explore the app and all it has to offer.

Best regards,

Tradewing - Client Success Team
