

U.S. PHYSICS TEAM
Visit to
Goddard Space Flight Center
Visitor Center
May 26, 2004

| | | |
|---------|--|--|
| 1:20 PM | Arrive at GSFC Visitor Center Check-in and badging; proceed to Earth Science Gallery | Dr. Stephen P. Maran, Assistant Director of Space Sciences for information and Outreach; Carolyn Harden, Education Specialist/Space Science Liaison |
| 1:30 PM | Welcome and Introductions | Maurice Henderson, GSFC VC Manager Dr. Stephen P. Maran, Assistant Director of Space Sciences for information and Outreach |
| | Physics Research Presentations: | |
| | • GAMMA RAY BURSTS – PHYSICS & EXPERIMENTS | Dr. Ann Parsons, Laboratory for High Energy Astrophysics |
| | • SUB-MILLIMETER WAVE PHYSICS & ASTRONOMY IN SPACE AND ON EARTH | Dr. Gordon Chin, Laboratory for Extraterrestrial Physics |
| | • SPACE PHYSICS EXPERIMENTS | Dr. Thomas Moore, Laboratory for Extraterrestrial Physics |
| | • INFRARED INTERFEROMETRY IN SPACE | Dr. David Leisawitz, Laboratory for Astronomy and Solar Physics |
| | <i>Earth Science Gallery, VC</i> | |
| 3:30 PM | Tour of Center Facilities (Using AAPT Team Bus) | DJ Emmanuel, VC Operations Manager Karen Miller, VC Program Manager |
| | • Observation Gallery Clean Room, Bldg 29 | Dr. Randy Kimble, Project Scientist for the Hubble Space Telescope Development Project |
| | • Testing & Evaluation of Spacecraft & Instruments | |
| | • NASCOM Control Room | |
| 4:45 PM | Depart GSFC Visitor Center | |
